

Solana Family Dental Named a Top Dentist of 2016!

April 27, 2017

April 27, 2017 - PRESSADVANTAGE -

Solana Beach, California - Each year top Dentists release a list of the best dentists in the United States, as rated by their colleagues. Dentists across the country are surveyed and asked to evaluate their peers based on physical results, continuing education, use of new technology, how they interact with patients, and experience. In 2016, Dr. Michelle Sandler, a dentist in San Diego, was honored for her work in General Dentistry.

Dentists in Del Mar and throughout San Diego were eligible to be nominated for the commendation as long as they are listed with the American Dental Association. The biggest question facing dental professionals as they evaluate their colleagues is, "If unable to work whom would be the person you refer your patients to?" The results were then tallied and top Dentist checked out the highest scorers to make sure they are in good standing with an active license before announcing the recipients.

Being respected by one's peers is an honor in any profession, but being named a top dentist in the country is a special honor for Dr. Sandler. It means much more than being a name on a list, it means she has really made a difference in the lives of her patients and that her dental office is a place where they can feel at ease.

After winning the award, Dr. Sandler received a congratulatory letter, was added to the list at

www.usatopdentists.com, and even had her name mentioned in San Diego Magazine which covered other local dentists who were also honored. After receiving such an honor in 2016, Dr. Sandler is dedicated to continuing to provide the best dental care possible, ensuring that her patients leave happy and that she will remain on the list for years to come.

To schedule an appointment or consultation with an award winning dentist in the Encinitas area, call Solana Family Dental at (858) 345-1960.
