

PRC Roofing Celebrates 37 Years Of Providing Reliable Commercial Roofing

June 01, 2017

June 01, 2017 - PRESSADVANTAGE -

Commercial Roofing Houston - PRC Roofing Co, based in Houston, TX, is celebrating the fact that they have been in business for 37 years. In that time, they have set themselves apart as the go to expert for commercial roofing in Houston, focusing on both built up roofs and flat roofs. They believe that their success is thanks to the fact that they have expert staff on board, who know the proper kind of commercial roofing that is required.

Tony Delgado from Commercial Roofing Houston - PRC Roofing Co says: "It is vital that people hire the correct commercial roofing company in Houston. This is due the weather, and also because extensive knowledge is required on the type of roof that a commercial building needs. We're very pleased to have been serving the Houston community for 37 years now, and want to thank the continued support of our customers, and the dedication to excellence of our staff."

PRC Roofing Co would like to encourage people who are interested in commercial roofing to visit their Facebook page. They encourage architects, property managers, building owners, contractors, and other professionals to like the page so that they can get to know the company and what it can do for them.

PRC Roofing Co is a family owned business that first opened its doors in 1979. For 37 years, they have prided themselves in fully understanding the requirements and benefits of commercial roofing installation, offering only the highest quality materials at an affordable cost. To achieve this, the company has hired 30 full time employees, each of whom are fully trained to deliver each project on time and within budget.

The company aims to be the metal roof Houston company that people can rely on, not in the least because of their vast and extensive experience. They are trusted thanks to their commitment to quality, offering warranties on both products and labor. In fact, they offer maintenance contracts and annual inspections as standard. These after installation services are offered for commercial roof repairs, metal roofing, modified roofs, built up roofs, and flat roofs in Houston. Tony Delgado ends: "We want your roofs to withstand damage for long periods of time and save you a good amount of money in the long run."
