Minnesota Gutter Cleaning Service Announces Focus On Minneapolis/St Paul MN Market

May 08, 2017

Golden Valley, Minnesota - May 08, 2017 -
Gutter Maids - Minneapolis Gutter Cleaning has announced that they are focusing on the Minneapolis/St. Paul, MN market. In so doing, they aim to enable a wider geographical location to have properly maintained gutters in a convenient and affordable manner. Gutter cleaning is something that few home owners enjoy doing, but thanks to Gutter Maids, the job can now be done much more easily than ever before.

A representative from Gutter Maids says: "While you probably don't realize it, your gutters are actually a very important section of keeping your home protected. They serve as a way of controlling how rainwater flows around your roof, foundation, landscaping, and other parts of your property. If you haven't had your gutters cleaned out at least once a year, it's possible that numerous dreadful things are occurring right now. It's very important that you have your gutters cleaned regularly."

The company also aims to build strong relationships not just with their existing clients, but also with the community as a whole. Hence, they have placed a strong focus on providing information, advice, and tips to people who want to protect their gutters, which is all freely accessible. They share a wealth of information on the Facebook - Gutter Maids page, where people are also encouraged to get involved in the discussions.

This social media page also provides a platform for clients to post reviews about the service that they have received.

Before expanding their service area to include the Twin Cities, Gutter Maids has already built a strong and positive reputation for themselves in the surrounding metro area. "I needed my gutters cleaned after I noticed they were fully clogged," says Scott D. on the company's Google+ page. "They were out well ahead of my expectations, got the job done fast, and the gutters look good as old gutters can look. No BS pricing, all upfront with how much it would cost. Love the service and would hire them again when I need my gutters cleaned out."

The company also encourages people to follow their YouTube - Gutter Maids channel where several videos are shared about gutter cleaning.
