Virginia Beach VA: VA Real Estate Solutions is pleased to announce the launch of their community scholarship program with an essay-writing contest. Featuring those individuals who have made or want to make a difference in their community. The essay and scholarship award is open to students from high school junior to college freshmen residing in Hampton Roads Virginia. Winners will be receiving tuition aid worth \$3,000 for 1st place, \$1,500 for 2nd place and \$500 for 3rd place.

"Many Americans go about their daily tasks and routines that often seem passive about people and events surrounding them. America needs innovators, game changers, critical thinkers, problem-solvers ? people who have the heart to stand up and make a positive difference," VA Real Estate Solutions Marketing Director Tony Aveiro said.

Aveiro, a US NAVY veteran and real estate investor, pointed out that the aim of this year's contest is to help create awareness about the things people do that completely go unnoticed and also to hear our new generation's ideas to create an impact on people's lives and make a positive difference in the Hampton Roads community.

Entries are now accepted through the VA Real Estate Solutions website (<https://www.varealestatesolutions.com/community/>) until September 15, 2017. Contestants must strictly adhere to the rules and guidelines to avoid disqualification. Contest pieces submitted beyond the stated due date will no longer be accepted. The scholarship prizes will be credited to the school or university chosen by the winners. Winners will be announced through the official Facebook page of VA Real Estate Solutions on November 30, 2017.
