Seattle, WA law firm Bradley Johnson Attorneys is proud to announce that their founder, Bradley Johnson, has been certified as a life member of the Multi-Million Dollar Advocates Forum. The highly respected Seattle car accident lawyer is very happy with this recognition. Full details about his work and commitment are available on the firm's personal injury web page at <https://www.bjattorneys.com/personal-injury>.

"The Million Dollar Advocates Forum is one of the most prestigious groups of trial lawyers in the United States," says Alister Dabreo from Bradley Johnson Attorneys. "Membership is limited to attorneys who have won million and multi-million dollar verdicts and settlements. There are approximately 4000 members throughout the country. Fewer than 1% of U.S. lawyers are members. We are incredibly proud of the fact that Bradley has been included in its membership."

Bradley Johnson is a fierce advocate and compassionate listener. He has always found the greatest satisfaction in standing for justice, as a true warrior. He opened Bradley Johnson Attorneys as soon as he finished law school, focusing specifically on personal injury. Since day one, he has been committed to

ensuring injured victims were able to get the compensation they deserved.

Bradley Johnson himself says: "I opened my law firm in 1992, and since then I have been able to attract a number of highly accomplished trial lawyers. We also employ 11 support staff members, including five paralegals. I represent the injured and have successfully litigated everything from Seattle accident claims to wrongful death lawsuits. Some cases have resulted in a multi-million dollar verdict, which has led to my acceptance as a member of the Multi-Million Dollar Advocates Forum."

Johnson credits his membership to his clients and his team of professionals. While it was his skills as a litigator that ensured the successful verdict, he never did it for the glory. Rather, he believes his latest multi-million dollar verdict is proof that he will always do what he can for his clients, and get them the best settlement or verdict possible. Dabreo adds: "Bradley really is one of the most committed lawyers I have ever met, as well as one of the most humble. It is an honor and a privilege to work with him."
