May 05, 2017

May 05, 2017 - PRESSADVANTAGE -

Lexington-based investment group wants to connect with motivated sellers who need a quick and hassle-free way to 'Sell My House'. The professional group is real estate investment which does business locally and in surrounding counties.

Lexington KY: When motivated sellers say 'Sell My House in Lexington, Kentucky' BT Investment Group has the solution. The company helps motivated sellers to sell their house quickly and without fees or closing costs. The BT Investment Group is A+ rated by the Better Business Bureau and can purchase the sellers Lexington, KY house the same day if desired. The fast sale is guaranteed. The professional real estate investment company does business locally in Lexington and the surrounding counties.

According to Brian Evans, "We are sometimes otherwise referred to as professional house buyers, Kentucky professional real estate investors, Kentucky home investors or house investors, that buy houses in Lexington Kentucky. We are also commonly referred to as certified professional Lexington home buyers, certified professional house buyers, professional housing providers, equal opportunity housing providers or certified home buyers who buy houses in Lexington Kentucky."

The real estate investment firm has been in operation for more than a dozen years. The principals are not Realtors, but rather purchase ugly or pretty houses strictly for investment purposes. The goal is to create financially agreeable win-win relationships with each and every individual they do business with. The company has a goal of establishing and maintaining a long-term profitable business model through methods of buying, selling, leasing and holding residential and commercial property.

Many of the properties which the investment group purchases are part of the foreclosure market. The market cycle has caused a growing number of foreclosure events and the investment company has created a niche to assist homeowners who are facing foreclosure. The group helps stressed homeowners by purchasing properties before a foreclosure sale, keeping the foreclosure off their credit history.

The properties are not purchased with bank funds, and the company doesn't charge any fees for the purchase process. They employ dozens of strategies for the acquisition of properties, regardless of the seller's situation.
