

CORRECTION: Free E-Book Download from National General Insurance: How to Avoid the Top 10 RV Insurance Claims

May 05, 2017

May 05, 2017 - PRESSADVANTAGE -

CORRECTION: The press release distributed on May 2nd, 2017 was inadvertently distributed with the wrong title, which read "National General Insurance is Having a Career Open House in Farmers Branch, TX." The correct title is "Free E-Book Download from National General Insurance: How to Avoid the Top RV Insurance Claims." All information found in the original press release is correct and can be found below.

National General Insurance has released its inaugural RV e-book designed to help recreational vehicle owners avoid costly mistakes. The 2017 RV e-Book was written by a seasoned full-time RVer and experienced workamper. It focuses on the top ten most common claims recreational vehicle owners experienced in 2016 and explains how to prevent them. The RV e-Book features ten chapters on topics like:

? Little Known Ways to Keep Your RV Tires Longer

? The Easiest Way to Care for Your Awning

? A Warning Against Rodents

? How to Avoid an Electrical Meltdown

National General RV Insurance customers, potential customers, and RV enthusiasts can download the 61-page RV e-Book for free by visiting <http://www.nationalgeneral.com/rv-insurance/>.

About National General Insurance

National General Insurance is a property and casualty insurance company. It has an A- rating from A.M. Best and is backed by the Better Business Bureau. It also earned a 94% overall customer satisfaction rating in 2016, which was garnered through a third party review vendor. Those interested can view customer reviews for National General Insurance [here](#).

National General Insurance has been serving the needs of auto, RV, home, renters, and motorcycle insurance customers since 1939. In 2016, the company added an online quoting platform that presented customers with a rate online for multiple lines of insurance. National General Insurance is a multi-carrier insurance agency that has an established network of top-rated insurance providers across the country. It works with these insurance partners to bring insurance customers a wide range of coverage levels and price points tailored to each individual customer.

National General Insurance is a trade name utilized by the insurance underwriting companies in the National General Insurance Group and RV, auto home and motorcycle insurance policies purchased through National General Insurance may be issued by one of the insurance underwriting companies of the National General Insurance Group.
