

Lacrosse Runner Launches Comprehensive Buyer's Guides And Review Site

May 08, 2017

May 08, 2017 - PRESSADVANTAGE -

Adrian-based LacrosseRunner.com offers complete details about the sport of Lacrosse. Buyer's guides for the best lacrosse sticks of 2017 are provided, along with reviews of the top picks.

Adrian MI: Lacrosse Runner and Freddy Woods are pleased to bring their expertise and knowledge to the sport of lacrosse. The sport is enjoyed by both professionals and recreational players. One of the key pieces of equipment which players must consider is the stick. The website provides a buyers guide for the top seven sticks available in 2017. A wide variety of lacrosse sticks arrive in the market each year. Some are intended for offensive play, while others are best for defensive players.

According to a spokesperson for lacrosserunner.com, "Our website makes research on the new entries into the marketplace by providing quick reviews of the top seven lacrosse sticks for 2017. By reading through these reviews, you can determine the pros and cons of the best seven models this year and then determine the one that perfectly suits your needs."

The seven top stick brands are produced by East Coast Dyes, STX Crux 500 10 Degree, StringKing Complete Defense Lacrosse Stick, Brine Dynasty Elite, Maverik Lacrosse Female's Heist, Warrior Nemesis 2 Head Strung Goalie stick and STX Lacrosse Proton Power. A full review is offered on each of the sticks in this premier group.

Tips for choosing the best sticks for women and the optimal choice for beginners is included in the materials on the website. Men's choices and youth sticks are also suggested. Specifications for the various categories and the purposes for which the sticks are intended are included. A stick appropriate for a goalie is constructed differently than one which is best for offensive players.

Further information of interest to those considering the sport includes rules of the game and things to consider when purchasing a lacrosse stick. Tips on taking care of the stick to keep it in top condition are provided. Finally, information about other equipment used in the sport is listed.
