Purity hair salon Albany Capital District location offers certified Aveda products to area patrons. The professional team also provides wedding makeup services for the area.

Voorheesville NY: Purity Hair Design and Amanda Scalza are pleased to announce that the hair salon Albany team has achieved certification as one of the few Aveda hair salons in the Capital District of Albany. The team also offers professional wedding makeup services to the entire Albany area. It is the mission at Purity Hair Design to provide guests with a relaxing and professional environment. The team strives to deliver the highest quality services and purest products, in order to bring out the natural beauty of the client in its purest form.

According to a representative of Aveda, "Our mission at Aveda is to care for the world we live in, from the products we make to the ways in which we give back to society. At Aveda, we strive to set an example for environmental leadership & responsibility, not just in the world of beauty, but around the world. Aveda Salons and Spas are founded on the common mission of caring for you and caring for our world around us. Our salon and spa teams are trained to serve your every need and expertly care for you."

The Aveda salon professionals are continually educated on the latest trends and techniques to transform the customer's looks with styles inspired by fashion runways around the world. The spa professionals also undergo regular training in order to stay informed of the latest advancements in body and skin care. They practice the art of healing, rejuvenating and refreshing the mind, body and spirit.

The line of products which Purity offers are noted for being environmentally friendly. Neuma and ESSENSITY are noted for purity. Neuma contains zero synthetic fragrance, sulfates, parabens, 1,4-dioxane, phthalates, glutens, neurotoxins, aluminum compounds, glycols, formaldehyde donors, ureas, carcinogens and environmental pollutants. It is simply a genuine and sustainable brand.

ESSENSITY Color is a permanent ammonia-free oil color with Phytolipid Technology, which respects the

multi-tonal reflections of the hair. It provides up to 100% white hair coverage and is free from mineral oil, silicones and artificial fragrances. The permanent ammonia-free color provides optimal performance and color results.
