Solana Family Dental is a clinic in Solana Beach, CA. Covering the San Diego area as well, they have recently been named as the clinic to go to when looking for a top rated dentist San Diego residents can depend on. This is in recognition of the exceptional services they provide to each of their patients.

Elan Weinstein from Solana Family Dental says: "We believe in exceptional care, comprehensive treatment, and a kind, welcoming environment. Our services and treatments will leave your mouth healthier and your smile brighter. We know that the health of your teeth has a huge impact on your confidence and daily activities, which is why we emphasize professionalism, comfort, and compassion for every patient."

Besides being recognized in San Diego, they have also been recognized as the best dentist Del Mar has to offer. This is a second geographical area from which the clinic accepts patients. Patients hail the rigorous standards that the clinic upholds, which are that they offer the most dependable practice, that they only use premium materials, and that they invest in the most up to date, state of the art equipment.

Those who have received treatment from the dental office have been incredibly pleased with the service they have received from start to finish. "Drs Sandler and Kauffman are my favorite dentists ever," says one patient on the Health Grades review website. "They do a great job, proactive, honest, quick and the rest of the team

go above and beyond helping with scheduling and insurance. Clean office, never have to wait, get to watch TV and they have all the newest technology."

Because of the popularity of the clinic, Solana Family Dental is also trying to attract patients from further afield, wanting to give every individual the opportunity to have a beautiful, healthy smile. As such, they aim to also become the best dentist Encinitas has to offer, and they are well on their way towards achieving that. With the clinic's continuous dedication to giving patients the best possible treatment in a clean, relaxed, and friendly environment, it is very obvious why so many people choose to have their dental health taken care of at Solana Family Dental.
