May 24, 2017 - PRESSADVANTAGE -

PrimeEffects announced today that they are offering a full money-back guarantee on their natural bug repellent, known as Mosquito Magician. Mosquito Magician is a blend of natural oils that act to repel most lawn and garden pests.

CEO of PrimeEffects, Mr. Philip Jepsen, says "Summer is the high season for biting pests such as mosquitoes, and that season is fast approaching. Many consumers are looking for a natural means for handling these pests. Mosquito Magician is extremely effective, and uses a natural blend of ingredients to accomplish the same goal as the more chemical-heavy solutions. But we also are aware that there may be times when a product doesn't meet the consumer's expectations. Your total satisfaction is our priority and that is why we offer a complete no-questions-asked 90-day money back guarantee on Mosquito Magician."

The bug repellent is a concentrate of oils, including geraniol, cedarwood, lemongrass, rosemary, garlic and citronella. These oils have been shown to have a repelling effect on bugs, such as mosquitoes, fleas, ticks, flies, gnats, moths, fire ants, and even spiders and palmetto bugs. The formula safe to be used around children and pets because it is non-toxic. The concentrate can be diluted to various strengths depending on

need. For best effect, it is sprayed once or twice a week. Mosquito Magician can be applied with most sprayers.

Mosquito Magician can be purchased on Amazon, as well as through the PrimeEffects site. Questions and requests for refunds can be sent directly to PrimeEffects.
