New Naturopathic Clinic Report Released by National Press Distributors Ranks Industry Leading Experts

May 26, 2017

May 26, 2017 -
National Press Distributors recently published its official list of the most respected naturopathic medical clinics. The company reportedly analyzed hundreds of competing medical practices focused on holistic methods to compile the most complete list of successful doctors and practices

1) CentreSpringMD - Founded in 2009 by Dr. Taz Bhatia, MD, as the Atlanta Center for Holistic & Integrative Medicine, CentreSpring has grown into a multi-provider full medical and wellness center and spa. They use unique diagnostic tools to evaluate the needs of every individual patient.

2) Aspire Natural Health - AspireNaturalHealth.com -- Dr. Gerstmar founded and is a doctor at Aspire Natural Health in Seattle. After seeing the ups and downs of the conventional medical system, Dr. Gerstmar decided to focus on helping people get the care that they desperately need but aren?t receiving without holistic medicine. He customizes his health solutions for each individual client. Dr. Gerstmar is also a thought leader in the holistic and naturopathic medicine community.

3) Austin Naturopathic - Dr. Marianne Calvanese and Dr. Tess Strickland are Naturopathic Physicians at Austin Naturopathic who have been practicing natural medicine for a combined 42 years. They treat a comprehensive variety of conditions through a holistic approach to health.

4) Jamine Blesoff ND - Dr. Blesoff provides care for families in the Chicagoland area at Balance Health & Wellness and Serenity Acupuncture. She focuses on sustainable health that can improve overall wellness across a long period of time through both medical and lifestyle changes.

5) Dr. Angela Agrios ND - Dr. Agrios founded her private practice, Palisades Natural Medicine, in 2008. She shares her thoughts on naturopathic medicine through contributions to print and digital media. She enjoys her frequent corporate wellness clients and works to advance the naturopathic medicine field in general.

This abbreviated report is part of a larger proprietary data set regarding naturopathic and holistic medical

providers nationwide.
