NPD Releases Critical Market Analysis Highlighting Industry Leaders in the Online Engagement Ring Industry

June 02, 2017

June 02, 2017 -
National Press Distributors, reputable review and customer satisfaction authority has recently released an official rundown of the most well respected and reputable online engagement ring sellers in the business. This comprehensive ranking was completed after extensive research into hundreds of most prominent online jewelry store and selected for a special kind of quality and service.

1) Hayden Cudworth - https://haydencudworth.com/ -- Hayden Cudworth offers special deals and prices and never use middle men in their transactions. Furthermore, they will send their clients 5 exact replicas of their chosen rings to see how they like the look, style and fit before consumers make such a grand purchase.

2) Allurez -- Niche experts have probably heard of this up and coming online engagement ring store. In addition to their extensive selection of designs and precious metals, this online retailer offers expert customer service and bespoke rings to suit the wearer. All diamonds from Allurez come with complete certificates that describes quality and specifics.

3) EBay Jewelry -- shopping online is one of the best ways to find excellent deals on stylish and classic jewelry. In addition to the online retailer's, individuals are also marketing classic antique jewelry at an excellent price. Of course, buyers will want to perform a thorough investigation of any piece they buy and always ask for certifications of authenticity.

4) Zales --Zales is an online engagement ring store with an excellent reputation for honesty and variety. A User-Friendly website is another key aspect of this prestigious jewelry store. Finally, all the engagement rings, gold and diamonds are of the highest quality and offered at fair prices.

5) Overstock Jewelry -- this online success story offers an immense array of top quality jewelry including diamonds and engagement rings at the best value possible. Shoppers can find items ranging from $10 to $1,

000,000. This online store is not a jewelry specialist, which is the reason for its low ranking.

The concise summary posted here is only a sample of the full-comprehensive research performed by NPD.
