June 02, 2017 - PRESSADVANTAGE -

Seattle, WA law firm Bradley Johnson Attorneys is proud to announce that their longtime Marketing Director, Alister Dabreo Jr, is going to law school.

Mr. Dabreo was accepted to the accelerated program at Gonzaga University School of Law, allowing students to finish in two years instead of the typical three. This highly respected member of the firm is looking forward to the endeavor but will miss the firm that he has spent the better part of a decade helping to grow. The firm and its accomplishments can be visited at www.bjattorneys.com.

"I am very excited to set out on this new adventure," says Mr. Dabreo, "it's something I've considered doing for quite some time. That said, I am going to miss Bradley Johnson Attorneys and the great people that work here."

Bradley Johnson Attorneys is a leader in Seattle DUI defense. They are well-known across the State of Washington as 1-800-DUI-AWAY. They have been defending those accused of DUI for almost twenty-five

years, and are widely considered to be some of the most experienced and caring attorneys in their field. Dabreo credits his desire to go to law school with the environment of caring and excellence that Bradley Johnson Attorneys has cultivated.

?Brad has offered me the chance to come back and practice as an attorney when I finish school. I can?t wait to come back. The attorneys that I have worked with for the past, 8 or 9 years are some of the most caring and passionate people I have ever met. They have inspired me to follow in their footsteps, so to speak. I have been helping by connecting people with these dedicated attorneys for so long, it?s about time I start helping them in the courtroom as well.?

Bradley Johnson Attorneys has recently hired a new attorney, Jeremy Goodman, and are excited to add Mr. Dabreo in the next two years. As more and more DUI arrests pile up in Washington, there is a growing need for more attorneys to represent those accused of DUI.

There are over 35,000 DUI arrests in the State of Washington each year, and those numbers are rising. Although their main office is in Seattle, Bradley Johnson Attorneys has offices in Everett, Tacoma, and Bellevue as well. They help people all across the State of Washington and can handle all kinds of criminal defense cases in addition to their specialty of DUI defense.

?There is a growing need for first-rate, as well as affordable, criminal defense in Washington State. Bradley Johnson Attorneys is unique in that respect, always willing to be flexible with payments and work with those in need. It?s been a great place for clients for decades, and it?s been an unbelievable place to work for so long. I can?t wait to come back to the team.?
