

Blue Parrot Battery Now Being Sold At A 67% Discount For Short Time

June 24, 2015

June 24, 2015 - PRESSADVANTAGE -

Wireless Pro, an electronics company in Federal Heights, CO, have just released their prime quality Blue Parrot replacement battery. To celebrate this release, they are offering it at a significant discount of 67%. As such, the battery costs just \$9.99, instead of the usual \$29.99. It is hoped that this limited time only, introductory offer will encourage more people to try the battery.

"We believe that our Wireless Pro replacement battery is the best battery of its kind on the market today", says Carlos Salguero, from Wireless Pro. "To celebrate its launch, we are making it available for a significantly discounted price. We encourage people to get theirs soon, because this offer won't last forever!"

The replacement battery has a number of key features and benefits. Firstly, it is a premium long lasting lithium rechargeable polymer battery, 240mAh, 3.7v. It has been designed for the VIX Blue Parrot Bluetooth Headset System, which means these headsets are able to work longer with fewer recharges and a quicker charging time. Additionally, it allows for crisper, clearer sound.

While having only been available for a short period of time, the prime quality Blue Parrot replacement battery

has already received a number of positive reviews. "First of all I want to say that I am a truck delivery driver and I am on the phone a lot, and use my Blue Parrot Headset for several hours a day non-stop", says Amanda. "I replaced the battery that came with my headset and I have noticed that it not only charges a bit quicker but it lasts longer. Now its possible that my old battery was totally shot but I have noticed a significant improvement with this new one. Came in a great packaging and it was easy to install!"

Wireless Pro is so convinced that their battery is of high quality that they are even offering a full one year unconditional replacement warranty. This means that if something does go wrong, customers can have their battery replaced right away. Wireless Pro prides itself on being a trustworthy brand that delivers top quality products at affordable prices. Indeed, to make the battery even more affordable, they are also offering a number of multipack purchase options, which allow customers to save even more money. The Wireless Pro replacement battery is fully compatible with the VXi Blue Parrot B250-XT B250-XT+ Wireless Bluetooth Headset Roadwarrior Blue Parrot 052030 502030 Blue Parrot PL602031.

Wireless Pro Denver have also launched their Facebook page. Customers are encouraged to like this page in order to receive regular updates on new products, as well as discounts and special offers. Furthermore, it is an opportunity for people to contact the company with any queries they may have.
