Negril, Jamaica, is a hidden gem on the Caribbean island, and is known as "the laid back capital of Jamaica". Your Jamaican Tour Guide, a tour operator based in Montego Bay, has developed a number of tours for this beautiful area. They are proud to announce that their most popular tour is now the No Problem Tour in Negril. They feel that there are many things to do in Negril Jamaica and aim to inform more tourists about them.

"If you are visiting Negril and would like to experience the 'real' Jamaica rather than the 'tourist' Jamaica, I am ready to offer my services and be your personal tour guide," says Alrick Allen, owner, founder, and guide at Your Jamaican Tour Guide. "The 'No Problem' Premium Tour centers around the West side of the island, which is known to be the more 'laid back' part. Negril became popular back in the 70s, when the 'hippies' discovered this hidden beach town. When you take the 'No Problem' tour, you will experience all the beauty of Negril, from the beaches to the food."

In the Premium No Problem Tour in Negril, people start by visiting the Seven Mile Beach. After that, the tour will move on to local communities and it will end with a visit to the famous Rick's Cafe for a breathtaking sunset and watching divers jump from cliffs. Being a premium tour, it includes round trip transportation,

complimentary drinks (Red Stripe, soda, and water), a complimentary local lunch and stops for food along the way. Alrick adds: "This tour is an opportunity to sit back, relax, and experience what Jamaica is really all about."

Those who have already taken part in the tour have been very pleased with their experience. "Alrick took 4 of us in a private car to tour Negril," says Jill C. on the company's website. "It was amazing. He was prompt, professional, and was absolutely the best part of our trip. The best part of the trip was the fact that we were not on a 'Tour Schedule'. If we wanted to stop on the side of the road for a mango, we could ... or stop at a local beach for a Red Stripe & photos (which we did)."
