The Law Offices of Jerry J Trevino, based in Corpus Christi, TX, caters to all legal assistance needs in cases of personal injury, auto accidents, slips and falls, and motorcycle accidents. The Jerry Trevino law firm is proud to announce that they now also offer free consultations, and that they have reviewed their pricing policies so that everyone is given the chance to get the help that they need and require.

Jerry Trevino himself says: "If you have been injured in an accident and need help, contact the South Texas Law Offices of Jerry J. Trevino. We are committed to helping people who have been injured by the negligence and wrongdoing of others. We handle a wide range of personal injury claims. We will be proud to represent you and offer the best service in South Texas."

As a personal injury lawyer in Corpus Christi, Jerry Trevino has recently been featured for his law firm's important work in wrongful death cases. Those are some of the most sensitive cases of all, and often also the most complex. However, his latest wrongful death case is what made Trevino change his policies. He explains: "People often fear they don't have a case to be made in wrongful death situations. They don't want to pay for a lawyer only to then find that they don't have a case. This is why I have decided to offer free

consultations. I also have a section on my website that can help people find out whether they have a case or not."

Those who have used Jerry Trevino's services have been very pleased with the work done for them. "I am very satisfied with the services provided by Mr. Trevino who is a brilliant attorney and his beautiful staff who are have been my angels. Mrs Mary Diaz office manager for the Harlingen office and legal aide has been very supportive in caring during this experience for me. Her daughter Yvette too," says Joel A. on the firm's Facebook page.

People who require the help of an accident attorney are encouraged to contact Jerry Trevino as soon as possible for their free initial consultation.
