

Realtor In Charlotte NC Develops Three Step Selling Process

June 23, 2017

June 23, 2017 - PRESSADVANTAGE -

Charlotte Home Experts, a realtor Charlotte NC residents can go to, has announced that they have developed a new 3-step process to help sell homes. The VIP Seller Program, as it is called, actually includes 152 different steps, but the rest are done by the realtor. The new system is already proving to be incredibly effective.

Tiffany Johannes from Charlotte Home Experts says: "Our Charlotte realtors have taken our depth and breadth of experience with real estate in Charlotte, NC, to define an easy-to-follow process for home selling. Thus, each client knows what to expect and is well equipped to be an effective "partner" in this venture. What makes our process unique is the level of detailed steps behind each of the three steps, that we will share with you at our very first meeting."

Step 1 of the sell my house fast Charlotte system is called 'Preparations and Expectations', which essentially introduces the client to the realtor and vice versa. Step 2 is called "Ready, Set... Go," where the home is listed on a wealth of different websites and more, through the Multiple Listing Service. The final step is called "The Fun Begins," which is when offers are received and Charlotte Home Experts reviews them so that only

the best is accepted.

"Our system is the best sell my house fast solution around," points out Tiffany Johannes. "We have reason to be confident that your experience will be of the former kind, largely because we apply and adhere to our detailed process every day, and simply stated, it works."

The various reviews that have been left about the company show that they truly are the best real estate agent Charlotte NC has to offer. Edward D. on Facebook says: "To those folks that are looking to buy or sell your home, these are our feelings. Charlotte Home Experts are truly professional realtors... For my wife and I this was a very emotional time in our lives. We loved the home that we chose to leave, trying to scale down from a two story to a ranch. We had not been involved with a realtor for more than forty years. We are not very computer smart so this signing online is all "Greek" to us. Tiffany and her backup stayed with us and were very understanding and helpful to us..."
