June 23, 2017 - PRESSADVANTAGE -

The 2017 summer season is expected to continue the tradition of more families firing up their backyard grills for family barbecues and parties. Grace has made available its premium Jamaican Jerk Seasoning at reduced prices on Amazon.com to help more shoppers add authentic jerk flavors to their jerked items.

Shoppers can now be prepared to pay 15 percent less on each 10-ounce bottle of hot or mild jerk seasoning. In addition, the products are now available in 4-pack bundles, with shoppers being able to get 20 percent off, as well as a 10 percent reduction on purchases of two bottles. There is also a 12-pack bundle for the hot flavor jerk seasoning, allowing shoppers to pay less on bulk orders.

The product arrives directly from the Grace manufacturing facility in Jamaica and contains a number of exotic Jamaican herbs and spices to ensure a genuine jerk sauce taste. The Jamaican Jerk Seasoning can be used as a sauce or as a jerk marinade or wet jerk rub.

Since being launched on Amazon, the Grace Jamaican Jerk Seasonings have been reviewed hundreds of times, receiving mostly positive reviews.

?I went through my order history and found that I had purchased 23 bottles of Grace Jerk Seasoning - Hot from 2013 to date. Nope, I don't own a restaurant, I just love this seasoning,? said Kindle Customer in a verified Amazon review.

?Love this, it's addictive --you won't need sauce, haven't tasted a better sauce! The hot is good too; the mild is still full of flavor, I think the mild is my favorite,? adds Robin S Welch, another verified reviewer on Amazon.

With the jerk seasonings available at reduced prices and free shipping on some orders over \$25, shoppers can easily achieve perfectly grilled meats, including chicken, pork, fish, and steak without the hassle of preparing seasonings from scratch. Each order is also accompanied by a free jerk cooking recipe e-book.
