San Diego, CA, June 12, 2017 - There's a new way for people to connect in San Diego. FunGig pairs Funseekers with Funbassadors in an effort to get people out of the house and discovering all of the great things to do in San Diego.

At fungig.com Funbassadors, local "in the know" people who have a passion they would like to share, post FunGigs which are worthwhile in person activities they would like to share, while also earning a few extra bucks. These FunGigs can be music lessons, outdoor activities like bodyboarding or fishing, or a variety of other adventures.

FunGig allows Funbassadors to sell their FunGigs by connecting them with Funseekers, people looking for new things to do in San Diego. Funseekers can be visitors, people new to town, or even long-time San Diegans who want to try something different or learn a new skill. The Funbassador provides all the needed equipment as well as useful tips and instruction throughout the FunGig.

Funbassadors get the chance to earn some spending money while sharing their passion while Funseekers learn a new hobby or find a new activity in San Diego. Both have the opportunity to meet someone new and share an experience. Bringing people together and encouraging them to discover all the things that make San Diego great is important to FunGig.

FunGig believes that life is for living, not passively sitting around staring at a screen. Visit www.fungig.com to sign up as a Funbassador and share a skill or to set off on an exciting new adventure as a Funseeker.
