July 05, 2017 - PRESSADVANTAGE -

Doodlebuggers Service Network, an air duct cleaning business in Pensacola, FL, is proud to announce that they now offer a range of outdoor grilling equipment. As a registered member of the Hearth, Patio & Barbecue Association, the company can guarantee that only products of the highest quality are offered. People are encouraged to contact the company to discuss their personal outdoor grill needs.

Tonia from Doodlebuggers says: "Looking for the grill that is just right for you? Whether it is charcoal, electric, propane, wood, or gas, Doodlebuggers Service Network has the grill for you. We provide a variety of premium, name brand grilling equipment in Pensacola and the surrounding area. We have various sizes, whether it is for you, your family, or entertaining guests."

The grills being offered by the company are proving to be very popular. One of the reasons for this is that they have such a variety of products available, ensuring that people can have the outdoor kitchen of their dreams. These include Saffire grills, Primo grills, and more. Meanwhile, one of their most popular models is the Fire Magic grill.

"For more than 75 years, Fire Magic has been building the world's finest outdoor grills, for people who demand the highest quality and performance," adds Tonia. "Our passion for manufacturing high quality grills

comes through in the pride of ownership that you'll enjoy for a lifetime."

Doodlebuggers Service Network only stocks premium grills in Pensacola, FL so that customers are assured of the quality of the products. They have spent a lot of time researching the best brands available, stocking only those that meet their own stringent quality control requirements. In fact, they are one of the very few that offer NatureKast products, which is an entire outdoor kitchen system.

Tonia adds: "Doodlebuggers Service Network is a certified dealer for selling and installing NatureKast products. NatureKast is luxurious, weatherproof cabinetry that can be used for both inside and outside the home. It is a luxurious wood finish that thrives outdoors that doesn't warp, fade, or crack. NatureKast Outdoor Kitchens has an extensive product range that are award-winning & installer friendly. Now you can have everything you'd want outdoors..."
