Lil' John Big & Tall is a men's fashion and clothing alteration shop in Pensacola, FL. Uniquely, they specialize in XL-10XL and LT-6XLT sizes, for big and tall men. They are proud to announce that they have now opened their online store, so people outside of the Pensacola area can also have access to their range of clothing and services.

John Thomas, who is 'Lil' John' himself, says: "We have served big and tall men in the Pensacola area for many years, setting ourselves apart as one of the most innovative stores offering men's clothing. The one thing we were lacking, however, was an online department. We're proud to have this now, and would like to welcome people through the doors of our online shop as much as our physical store."

Stores have been struggling to remain profitable because of the increasing popularity of online shops. It was only because of the fact that Lil' John's Big & Tall is not just a men's clothing store in Pensacola, FL, but also an alteration store that it has continued to be a profitable establishment. This is one of the reasons why they were late in starting an online shopping facility. John Thomas adds: "Our focus is on being innovative, so our online store was really long overdue. But we're really happy that we still maintain that personal contact

with our customers as well."

Those who have shopped at the store in the past, or who have used their clothing alteration services, have been incredibly pleased. Rebekah B. says on the Local Review Directory: "The owner, John, is so friendly and helpful. He measured my husband for a suit and helped him find a perfect fit. The shop has an alteration staff on site to serve your needs. The staff there was so helpful and experienced. We were very pleased with our first visit. The shop sells everything from casual, athletic and formal wear. We will be patronizing this business again."

Now that the men's clothing shop that also offers clothing alterations has an online store, many orders have been flying in. Lil' John welcomes this and aims to build a personal relationship with his online customers in the same way that he had with his in-store clientele. Those who want to learn more can visit the store in person at its location at 5700 N. Davis Hwy, Pensacola, FL. 32503 or view the gallery online at <http://liljohnsbigandtall.com/>.
