July 03, 2017 - PRESSADVANTAGE -

(Chicago, IL) July 3, 2017 Troy Warren, CEO of HealthRadioRX announced today the first drawing for winners in its Matching Prize Sweepstakes.

There were four winners for the June 2017 Sweepstakes in this first of many ongoing drawings. The winners are Gwen Dempsey of Rome, GA, Fevelyn 'Ching' Evaristo of Daly City, CA, Joulene Defensor of Norridge, IL, and Paul Fernandez of Alsip, IL.

Joulene Defensor commented, "I was so excited when I was notified that I was a Grand Prize winner. I can't remember the last time I was so lucky like this."

The company has plans to launch each Sweepstakes every calendar month starting on the 1st day and ending at 11:59pm on the last day.

There is no purchase necessary and the Matching Prize Sweepstakes has a unique twist. Entrants can refer others to enter, and if the referred entrant wins a prize, the referral person wins the exact same prize which increases anyone's chance of winning significantly.

Each of the June 2017 winners receive an Ultimate Skincare set valued at \$199.75 each month for an entire year.
