New NPD Report Reveals Most Customer Centric Private Car Services

July 20, 2017

July 20, 2017 -

National Press Distributors has completed a careful analysis of the top customer centric private car services. During this analysis, real customer reviews were used to research which car services are the most influential in the country. With the advent of ride-share car services, private car companies are being examined more closely than ever for competitiveness in pricing, service, and safety. The use of real customer feedback is the best way to compare companies in this field to determine which ones are superior on all accounts. The top five in the country are listed below.

Executive Car Service (executivecarservice.com) is the highest rated company of all. It offers luxurious vehicles with an expedient online reservation system. Their prices are competitive and their services are always on-time and reliable. Executive Car Services has an impeccable commitment to quality, value and the customer's ultimate satisfaction. Its consistent high marks from customers and the excellent prices makes it the nation's leading customer-oriented car service.

Tom L. on Yelp.com said, "I can recommend them without reservation. They have been prompt, efficient and courteous. The vehicles are clean and comfortable. Beats Yellow Cab hands down, and not much more

expensive."

Execucar as well has services in major cities throughout the USA. It has been providing professional chauffeured service for nearly 30 years. All drivers are carefully vetted, licensed and insured. This company offers flat-rate services which makes it one of the most affordable luxury transportation services available.

Tommy D. on Facebook.com said, "Execucar is the most professional service in my city. What a super idea!"

Empire CLS' service has more than a national reach, it has a global one. This is perfect for travelers and business professionals who want the same luxurious service, the same excellent reputation, and safety standards wherever they go. In Los Angeles, an addition to the list is Crown Limousine. The company has a long-standing reputation as the best for customers because of their extensive selection of luxurious vehicles. They are a go-to service for corporate travelers and for individuals who want reliable luxury for weddings, proms, and other special events.

Bill F. on Yelp said, "I have used them multiple times over the last six months on business trips with flawless results. Car services are a dime a dozen, but Empire stands above the rest."

In Los Angeles, an addition to the list is Crown Limousine. The company has a long-standing reputation as the best for customers because of their extensive selection of luxurious vehicles. They are a go-to service for corporate travelers and for individuals who want reliable luxury for weddings, proms, and other special events.

Tony on Facebook.com said, "I rented a Lincoln MKT limo for my birthday?my driver was professional, nice and made my night great!"

Lastly, Allied Town Car pays attention to things that matter to customers. They have professional and caring drivers that strive for safety as well as comfort for their passengers. Vehicles are well-maintained and undergo rigorous mechanical inspections.

Luis from Yelp.com said, "The best service?always on time and reliable!"

These are the top five customer-centric private car companies as determined by National Press Distributors' analysis of hundreds of customer reviews. For questions about this analysis or to get more information kindly contact National Press Distributors' press representative.
