July 14, 2017 -

National Press Distributors has recently completed and in depth analysis of the most customer-centric companies in the world. This project was completed after an in depth analysis of customer reviews pertaining to the most popular brands in the United States and other countries was undertaken. National Press Distributors has now compiled the results of this project into a short list of five companies for each category. The following is the short list for the wedding ring online retailers category and represents the five most customer focused companies based on customer feedback. This press release is designed to help customers identify the most trustworthy companies based on previous customer interactions. Previous research undertaken by National Press Distributors has shown that customer reviews are important to the purchasing process for most customers.

Specializing in one of a kind and made to order rings, Hayden Cudworth (haydencudworth.com), a New York based company, is known for cutting out the middle-man and ensuring customers are always satisfied. Jessica R. on Facebook says, "Hayden Cudworth let me try 5 different rings and helped me pick the perfect one. Without their service I don't know if I would have been happy with my ring. They really do work miracles." Hayden Cudworth provides out of this world service with quality that can't be beaten. Also well

known for their replica service, allowing customers to try their rings before they buy them.

Blue Nile is another online based diamond jeweler known for having a large selection. Sarah on Wedding Wire said, "I ordered two eternity bands ... free shipping and returns allowed me to try them on at home." A great choice for individuals who know they want diamonds in their wedding ring.

Zales is also a high end jewelry chain based in Irving, Texas. They are well known for quality and a wide selection of brand name rings. Jennifer N. on Influenster said, "We purchased my engagement ring from here online and picked up in store. They were very helpful and we were able to purchase a warranty in store when we picked it up." Zales provides a nearly un-matchable selection with knowledgeable sales associates both online and in stores.

A New York based company with a focus on ready made jewelry is James Allen. D. G. on Yelp said, "It was way more convenient for me to be able to compare all available diamonds ... in both stats and appearance." James Allen is a particularly customer friendly company.

Lastly, based in California, Larson Jewelers specializes in providing rings of all types. Craig F. on Yelp says, "Great website, great pricing and speedy delivery options. They seem to have a really good selection of rings on offer." Larson Jewelers prides themselves on quick shipping time and high quality jewellery.

This short list is the direct result of extensive research undertaken by National Press Distributors. It has been compiled after combing through thousands of reviews, ensuring that only the best wedding ring online retailers were included within this press release. Any questions or requests for a copy of the full report should be addressed to National Press Distributors's press representative.
