

Manufacturer Hekvapor Announces Electronic Cigarette Brands at Whole Sale Prices

June 24, 2014

June 24, 2014 - PRESSADVANTAGE -

Shenzhen, China: Electronic cigarette Manufacturer and Wholesaler Hekvapor, announces availability of electronic cigarette products at wholesale prices for the retail market. Hekvapor electronic cigarettes produce high quality and best price e cigarette (battery,tank), providing the correct amount to the market. There are basically no exposed wicks and users will not face any kind of leaking issue.

Hekvapor's line of electronic cigarettes feature hekvapor starter kits that are both affordable and practical. The highlight of the starter kit EGo electronic cigarette is economical and practical. We believe the super design electronic cigarette EGo e-cigarette will enlarge your capabilities," said Jerry Lam. Hekvapor's brand list of agent electronic cigarettes signals to the world at large that you're a forward-thinking person who prizes freedom and appreciates quality and high-tech design. The flavor cartridges are designed to maximize the draw and resistance of the vapor when inhaled, creating a satisfying experience.

Hekvapor's electronic cigarettes offer the experience of traditional cigarettes without the tobacco smoke, ash, or smell. "Our design and innovative technology enhance the experience for e-cigarette consumers, always keeping the customer experience as our central focus," said Jerry Lam.

With the manufacturing of Hekvapor electronic cigarettes, consumers are provided with OEM Support and ODM service. Consumers can use their own LOGO/Design on gift box, product body. Consumers can choose a variety of different colors of batteries and atomizers. "Our customers spoke to us and we responded, priding ourselves on the quality of both our products and customer service. This is just another extension of that commitment to being an industry leader."

Hekvapor also have most popular e cigarette brand agent, just like Innokin,Vision,Aspire,Kangertech. In past years service so many reseller and retail seller help them grow up in the marketing.

About Hekvapor
