Plumber In Pepperell MA Expands Geographical Service Area

July 14, 2017

July 14, 2017 -

Preferred Plumbing and Heating, Inc., based in Pepperell, MA, is a newly launched business. They opened their doors in January 2017, providing residential and commercial plumbing for homeowners, property managers, general contractors and business managers. They are now proud to announce that their service area has been expanded, covering a 20 mile radius around Pepperell.

Steve Berrigan from Preferred Plumbing & Heating says: "If you have a clogged drain, a leaky faucet, no hot water, or any other plumbing problem, we are here to help. We handle everyday plumbing issues and we repair and install boilers and water heaters. Furthermore, we can assist you with the installation of gas appliances. We're happy to announce that our first six months in business has gone very well, and we're now in a position to expand our service area."

The company specializes in offering plumbing solutions for new home constructions, new additions, and bathroom and kitchen remodels, including boiler installation and repair. Since first launching, they have engaged in a variety of such projects, always to the full satisfaction of their clients. Indeed, they have built a solid reputation on providing quality services at an affordable price.

"You can depend on us to show up on time, do the job fast, and have it done right," adds Steve Berrigan. "No job is too big or small." Client Mike B. confirms this on the company's website: "My experiences with Preferred Plumbing & Heating, Inc. have been nothing but positive. Preferred Plumbing & Heating, Inc. provides "Service". They do what they commit to, when they commit to doing it, for the price that is quoted, and they do the job right the first time.... every time. Steven is efficient, competent, organized and clean. It is no surprise that I recommend Preferred Plumbing & Heating, Inc. to anyone seeking plumbing services. Thank you for the fast and professional service."

Anyone requiring gas appliance installation or help with any other plumbing and heating issue are encouraged to contact Preferred Plumbing & Heating, Inc. for a free, no obligation quotation. The company also offers regular servicing contracts for those who want to ensure that their appliances are always at peak performance.
