July 18, 2017 - PRESSADVANTAGE -

ENCINO, Calif. -- Century Limousine, a limo service company serving Los Angeles, Orange County and Ventura County, is proud to announce that they now offer limousine connections from Los Angeles to Las Vegas. Two different services have been launched, depending on the vehicle of choice and the trip that clients are looking for.

Joseph Babakhanyan founder of Century Limousine says: "People in LA love going to Vegas, whether it is for the casinos, a shotgun wedding, or simply to see the sights. We now offer them the opportunity to do so with a group of friends in absolute comfort and style. Check out our website for details on our vehicles and the packages we have available."

The first available option is the door to door limo from LA to Vegas. This is provided in a Hummer Stretch limo and covers both trips to Las Vegas and then back to Los Angeles. There is a 14 passenger minimum requirement for this vehicle. The second option is the party bus limo trip, provided in a Mercedes Sprinter. This is a one way trip and at least eight people have to book in order for it to be available.

"Stay as long as you like," adds Babakhanyan. "We will be there to pick you up when the last card is played."

Century Limousine offers a range of other trips and services as well. These include nonemergency medical transport, coastal tours, Staples Center and Dodgers Stadium limos, concert limos, bachelor/bachelorette parties, quinceneras limos, prom limos, corporate limos, wine tasting limos, wedding limos, and party bus rental. The company aims to offer luxury transportation whenever and wherever people may want to go across Los Angeles, Orange County, Santa Barbara, Ventura, and beyond. Century Limousine wants to stretch the standard of luxury transportation.

"Our clients are treated like royalty," points out Babakhanyan. "Whether someone wants to arrive in style at an important business meeting, or whether someone wants to organize a party with a difference, we have a limo available to suit their needs. And now, we will take you all the way to Vegas as well."
