

Amazon's Choice

Amazon's Choice Award Winner For Jamaican Jerk Sauce

GraceKennedy's Jamaican Jerk Sauce Awarded Amazon's Choice Badge

July 10, 2017

July 10, 2017 - PRESSADVANTAGE -

GraceKennedy Limited, a leading Caribbean food manufacturer, and distributor since 1922, was recently awarded the Amazon's Choice badge for their Mild Jamaican Jerk Sauce on Amazon.com.

Products that are labeled "Amazon's Choice" are products hand picked by Amazon. It is a feature that helps Amazon customers save time and effort when searching for items that are highly-rated, well-priced products with Prime shipping. Receiving this badge is something that can only be awarded by Amazon based on their specific criteria, and is a very big honor.

It is an honor to be chosen and have this badge awarded by Amazon themselves. Hopefully this will encourage shoppers to purchase our jerk sauce while shopping online. This not only shows that people love our sauce, but we also have great customer service," said Deidre, a representative from GraceKennedy.

GraceKennedy's Jamaican Jerk Sauce continues to get rave reviews from happy customers. There are

currently over 241 reviews, with 93% being 4 or 5 star rating.

?Came quickly and used the same day on shrimp, peppers, garlic, shallots, kale and brown rice?soooo good!? said a recent reviewer.

One of the biggest reasons the jerk seasoning is so popular is due to many ways it can be used ? from fish, chicken, vegetables, tofu and more.

?Enjoyed the sauce. We used it in a mango/pineapple chicken recipe. Looking forward to trying it in a crockpot version of the same recipe,? said another happy customer.

GraceKennedy currently sells their Mild Jamaican Jerk Sauce in single bottles, four packs and a twelve pack on Amazon.com. They also offer Jamaican Jerk Sauce in Hot flavor and it is sold in single bottles, four packs and twelve pack. Each order of Jamaican jerk sauce comes with a digitally delivered ebook with mouthwatering Jerk recipes that one can make in the comfort of their own kitchen.
