July 11, 2017 - PRESSADVANTAGE -

Los Angeles, July 11, 2017 - Wealth Path IQ Inc. and Red Rock Secured, LLC today announced their partnership to provide their clients with cost-effective wealth protection services. Under the agreement, the companies will combine their strengths to serve investors.

The combination of Red Rock Secured's vast expertise in gold IRA rollovers, along with Wealth Path IQ's more than 30 years' experience in the financial sector, makes the partnership a winning combination. Through this partnership, the companies' mission is to enhance and protect their clients' investment portfolio while limiting investor risk of over-investing in the stock market. "Protecting assets safely while growing portfolios is what most investors are after," said Richard Kaye, CEO of Wealth Path IQ Inc. "Together, Red Rock Secured, LLC and Wealth Path IQ Inc. will provide customers with real-time information

they can easily access," added Rod Herring, CEO of Red Rock Secured, LLC.

The reasons the partnership makes sense are many, but here are just a few - both Companies are Market Leaders, Roth Eligibility, Greater Flexibility and Wealth Preservation.

The above-mentioned strategies are but a few of the reasons for clients to take advantage of what the partnership brings to the table. With the stock market at all-time highs, protecting clients against the next market crash or correction is of ultimate importance and the business combination will serve investors well as deliver relevant offers for clients who are clamoring for an honest and straight-forward direction to safely protect and grow their wealth.
