Goldrush Getaways, a travel agency in Citrus Heights, CA, has announced that its 2016 performance with the Ensemble Travel Group has been outstanding and they have been awarded the Top Producer status. The company points out that their performance demonstrates their commitment to the Ensemble organization and their preferred partners. The company has now proudly displayed its 2016 Ensemble Travel Group Top Producer award.

Jeff Oestreich from Goldrush Getaways says: "We are incredibly proud for achieving the Top Producer award with the Ensemble Travel Group. This makes a huge difference to our organization as a whole, and we will continue to work very hard to continue to deserve the honor of being a preferred provider."

As a result of winning the Top Producer award, Goldrush Getaways will also attend the annual International Conference of Ensemble Travel Group, which will take place on October 16, 2017 at the Hyatt Regency Dallas at Reunion. At this event, all top producers from a North American profit-sharing perspective will be recognized. There will be double celebrations this year, as it will be the tenth year running that preferred partners are recognized.

The Ensemble Travel Group was founded in 1968 and has been a thriving member-owned organization since then. Today, around 850 top-tier independent travel agencies across the US and Canada are members, and they have also expanded their international presence to cover Australia and New Zealand. Its membership represents billions of dollars in travel sales each year and, for the past half a century, the group has boosted members' profits by helping them to deliver high-volume sales.

People are encouraged to see what others are saying about Goldrush, such as Mari E., who stated: "I have been with Goldrush Getaways since 2008. I have booked some great vacations and received wonderful service from Goldrush Getaways, as well as discounts and commission on top of that. The staff is wonderful; they have helped me so much in getting started and making my reservations. I just booked a cruise for next year, can't wait for my trip to the Mediterranean."

Goldrush Getaways, meanwhile, is looking forward to the upcoming event on October 16th in Dallas, Texas.
