July 21, 2017

July 21, 2017 - PRESSADVANTAGE -

LandrumHR, a professional employer organization (PEO) in Pensacola, FL, is proud to announce that they will be hosting their Summer Supervisory Boot Camp Training in August. This training will consist of two half day sessions. LandrumHR Director of Training and Consulting Becki Haines, PHR, SHRM-CP, will be handling the sessions. Those interested can register at the following link for the Supervisory Boot Camp Training.

The first session will take place on Wednesday, August 16, 2017 between 8:30am and 12:30pm CDT. The second session will be held on Wednesday, August 23, 2017, also from 8:30am to 12:30pm CDT. Both sessions will be held at LandrumHR on 6723 Plantation Road, Pensacola, FL 32504. Becki Haines states: "For our PEO clients, they are free, but for other businesses they are \$178 per attendee for the entire Boot Camp."

Becki Haines says: "Our boot camp training is designed to give supervisors the essential knowledge needed to lead others in the workplace with confidence. Over the course of two days, participants will earn their stars while they explore basic employment laws and learn what compliance to those laws looks like from a practical

standpoint."

The training will also teach supervisors how they can foster a work environment that is free from harassment. Additionally, it will provide tips on interviewing and hiring, coaching employees to succeed in their goals, and the appropriate use of progressive discipline. Put together, this will help supervisors become better at what they do, and it is expected that the workplace as a whole will become more harmonious.

LandrumHR offers a number of additional seminars and webinars as well. These include Employment Law Overview & Best Practices; Customer Service, How to WOW; Managing Different Generations; the Supervisory Boot Camp for the Fall; and Adult First Aid, CPR & AED, which is the only one with a fee. Becki Haines adds: "We aim to deliver most of our courses for free, particularly for our PEO members. The first aid training is an external training that comes with a certificate, however, which is why a fee is involved. Nevertheless, we have endeavored to keep the cost much lower than other providers."

People are encouraged to contact LandrumHR for more info about the upcoming seminars and training courses, as well as the services that LandrumHR provides. The company has offices in North Carolina, South Carolina, and Florida, from which they aim to improve HR practices across the board.
