July 19, 2017 - PRESSADVANTAGE -

Awards Center, a trophy and awards company in Louisville, KY, is proud to announce that they have been voted as provider of the best trophies Louisville KY has to offer in a recent community poll. Their extensive collection, fast turnaround time, focus on customer service, and affordable prices were all reasons for this award. They have indicated that they have been humbled by this vote of confidence and aim to continue to deserve it.

Jason Malone from Awards Center says: "We launched our business to give people in Louisville the opportunity to celebrate their achievements, be that in business, sports, community activities, or anything else. It is a strange sensation to suddenly be the ones who are being congratulated. We couldn't be more proud, however, and have even gone so far as to create a little trophy for ourselves."

The company has also been recognized for creating the best plaques Louisville KY has to offer. These plaques have been available since 1983, when the company was first launched, and they have endeavored to always keep their selection up to date and in line with modern desires. As a result, they now have 284 different plaques for people to choose from, each created with fantastic attention to detail.

The company first came to the attention of the community poll after an influx of positive reviews on their Facebook page, where people expressed how happy they were with the service and products they had received. Rob W., for instance, says: "Jason is a top notch owner who is always there for St Rita with the best quality products in the time we need them in. Look no further for you awards, trophies, etc than Awards Center... You won't be sorry." Others have expressed similar feelings, particularly with regards to the selection, the quality, the service, and the affordable prices.

Meanwhile, Awards Center also provides services for engraving Louisville businesses and residents can depend on. Engraving comes as standard with all of their plaques, trophies, and other awards, with details on what is possible being included in every product. Should someone require separate or additional engraving, Awards Center will be happy to look into the possibility.
