July 17, 2017 - PRESSADVANTAGE -

Alexandria, VA -- 4 Fast Plumber, which has been providing plumbing services to Alexandria residents for decades, has announced that it now provides emergency services, on a 24/7 basis. 4 Fast Plumber stated that, when it comes to plumbing, all problems should be fixed as quickly as possible, as even a seemingly harmless plumbing problem can quickly become a plumbing disaster. 4 Fast Plumber stated that it provides 24/7 emergency plumbing services to residences, businesses, and institutions in the Alexandria area, in order to prevent plumbing disasters from occurring.

4 Fast Plumber also announced that it employs an experienced team of master plumbers and gas fitters, and has earned a reputation in the industry for its quality service delivery and customer-focused approach. 4 Fast Plumber announced that this customer-centered approach to doing business helped spur the decision to offer round-the-clock plumbing service to Alexandria residents. The company announced that its plumbing technicians work in shifts to ensure satisfactory service throughout the year.

4 Fast Plumber went on to state that its emergency plumbing services are equal in every way to its ordinary plumbing services. The company announced that its technicians, who are fully licensed and insured, arrive at the service site smartly dressed in neat uniforms. 4 Fast Plumber stated that its technicians maintain a high level of courtesy and professionalism throughout the service call. 4 Fast Plumber went on to state that its emergency plumbers respond to calls quickly - even at late hours - so that damage and financial loss from plumbing issues can be prevented. 4 Fast Plumber stated that it provides emergency services on public holidays as well.
