July 20, 2017 -

The Ihara Team, a real estate agency in Honolulu, HI, will be hosting a FREE senior living options seminar. The focus of the event will be the company's The Complete Solution (TM), which has been helping clients with the challenging task of transitioning as children leave the nest and homes start to feel oversized and maintenance challenging. Seniors are invited to the event and they can bring along a guest with them to the free, no obligation senior living options seminar that will take place on Tuesday, July 25, 2017 from 10:00 am to 1:30 pm at the Kalakaua Gardens at 1723 Kalakaua Avenue. More details about the seminar are available at http://ihara.eventbrite.com, where tickets can also be obtained.

The seminar will focus on senior living options, how to downsize and de-clutter, preparing the home for sale or for rent, and how to increase the value of the home to sell or to rent at the highest price in today's market. Those interested can call The Ihara Team at (808) 201-1242 and talk directly with Irene Burns.

Julie Ihara, co-founder and co-owner of The Ihara Team, says: "We offer regular educational seminars, all of which are free and open to the public. To date, The Ihara Team has hosted in excess of 600 seminars, which have always been popular. One attendee said: "We attended one of the Ihara Team 1031 Exchange Seminars and learned about exchanging one rental property for another and capital gains. We were impressed with Dan Ihara's knowledge and explanations and his concept of a team ... bringing together people with the expertise to facilitate all the transactions that would be required." Another attendee said: ?I attended an Ihara Group Buy & Flip Seminar ? I was able to purchase a condo in Feb. 2017, renovate it and recorded its sale this past week (July 12, 2017). The information from the buy flip seminar and the expert guidance and facilitation from the Ihara Group through the purchase, renovation and sale enabled me to accomplish this, something I had always wanted to do but lacked the knowledge & expert assistance to do till I met Dan & his Ihara Group.?
