

La Grange Park Dentist Launches New Website

July 21, 2017

July 21, 2017 -

1st Family Dental in La Grange Park, Illinois, recently announced the launch of their official company website. 1st Family Dental of La Grange Park is centrally located, less than a mile from Brookfield Zoo, and provides general, cosmetic, and restorative dentistry, including oral surgery and dental implants. The La Grange Park dentist also provides orthodontic services.

Vicky Khawaja with the practice says, "We're excited to launch our new website. Not only will be it easier for local patients to find us and get the information they are looking for. Our main goal is to make it very easy for our patients to book an appointment, whether it is online, by phone, or through other channels. Our new website helps us accomplish that."

The site now offers information on emergency dental services they provide, as well as general information about all services provided, payments accepted, and insurance options accepted. To celebrate the new website launch, the practice is offering coupons for new patients on the site. The coupon includes an oral exam, x-rays, and regular cleaning.

Those interested in learning more about 1st Family Dental of La Grange Park or in scheduling an appointment for any of the dental services that the practice provides can contact the dental office directly or

visit the company on their new website at <https://lagrangepark.1stfamilydental.com/>.
