

# Franklin Plumbing Company, Midwest Plumber Services, Announces Expanded Services

*July 24, 2017*

July 24, 2017 - PRESSADVANTAGE -

Franklin, Indiana, July, 2017 -- Keeping a home's plumbing system in great condition is easy to do when one has assistance from a reputable Franklin plumbing company. While there are several plumbing companies that serve Franklin and the surrounding areas, the fact is that Midwest Plumber Services is the best choice. The company strives to maintain the highest standards for plumbing in the industry while providing warranties on all work completed. Midwest Plumber Services is a full-service plumbing leads company, and partners with factory trained and certified professionals that are able to assist with many types of services in the home.

Water Heater Installation, Repair and Maintenance in Franklin

The licensed plumbers at Midwest Plumber Services in Franklin IN can assist with all types of water heater service. From the installation of water heaters like Rinnai and Bradford White models to repair and maintenance services, these are skilled contractors who will work diligently to meet needs quickly. In fact, the company strives to provide all customers with a superior experience to promote a high satisfaction rating.

Sewer Repair: Drain Clog and Camera Inspections

Midwest utilizes the most advanced techniques and equipment to complete many types of work, and this ensures that one will not have to wait long for repair issues to be remedied. When one is dealing with a damaged or clogged sewer line, the friendly professionals from Midwest can use camera inspection equipment to identify the cause of the damage and to pinpoint its location. Advanced repair techniques can be used to remove a clog or to fix damage to the sewer line with minimal time and effort required.

Emergency Service: All services available 24/7

From hot water heater to pipes and other components, plumbing features are important to the comfort and convenience at home. Some issues may negate the ability to use these features, and some may even result in water waste and property damage. Midwest offers 24-hour repair service to valued clients for all types of

services. One will never have to wait long for a plumber to help with issues when one uses Midwest Plumber Services for assistance.

### Tankless Water Heater Installation and Repair

Some homeowners in the local area want to make a water-saving improvement to their home by upgrading to a tankless water heater. Others may need to make a repair or a replacement out of necessity. Midwest can help one to learn more about the new models of water heaters available, and all services can be completed by certified plumbers in a timely manner.

### Bathroom and Kitchen Remodel Plumbing

Midwest is the plumbing referral company that one can rely on for help with any type of home improvement or remodeling project. The plumbers can install any brand of fixture or unit that one wants to use in the bathroom or kitchen, and the team strives to provide quality work and fast results so that one can more easily complete the remodeling project.

Midwest Plumber Services is committed to providing its customers with the best overall experience. In addition to providing a great range of services, the company also conducts a thorough screening of employees to ensure that only the most qualified professionals work on one's home plumbing system.
