June 30, 2015 - PRESSADVANTAGE -

Bridgette Swanson, spokesperson for the company SPLENDEUR, has announced that 48 gift sets of their highest quality NEW Organic, Therapeutic Aromatherapy Essential Oils gift sets will be available in the very near future for only \$1, a \$25.00 value, through Amazon. She added that customers can get these Aromatherapy Essential Oils Gift Sets for a very limited time at this promotional price. Also this gift set comes with FREE shipping for Amazon prime members.

Bridget stated that research shows Essential Oils can help fight infections, relieve headaches, stress and more through their antibacterial, antifungal and antiviral properties. She added that SPLENDEUR's set of Aromatherapy Essential Oils are the perfect gift but even if customers use them for their own personal use, will get much pleasure and use from them.

Each Aromatherapy Essential Oil gift set includes the TOP 6 Essential Oils, which are lavender, eucalyptus, orange, lemongrass, peppermint essential oil, and tea tree. The company also wants all who are new to

Essential Oils to learn more about them. Every customer who buys one of their Aromatherapy Essential Oils gift sets, will also receive a FREE electronic book, entitled Essential Oils Secrets. This book will give customers great insights into Essential Oils and their overall benefits.

The Essential Oils in this gift sets are completely organic, natural and pure. The essences have been extracted from herbs that were still in their living state in order to get the most from their healing capabilities. After completing the extraction process, highly concentrated amounts of these essences make SPLENDEUR's Aromatherapy Essential Oils.

SPLENDEUR invites all those who are interested in obtaining their latest product at this promotional price of only \$1 to go to their website. Here, they will be able to reserve their very own Aromatherapy Essential Oil gift set. They ask that once customers receive their Aromatherapy Essential Oils Gift Set and try them out for seven days, to please go to Amazon and provide an honest, unbiased review of this product. SPLENDEUR stated that the reason for this request is to help other customers who are still unsure of how effective Essential Oils are to get feedback from those who have already bought them.

SPLENDEUR reps made the following statement, "We believe that sharing knowledge is a fundamental necessity in life. The best knowledge comes from personal experience, which then gets shared with others. With our products, we know that no matter how much we explain their benefits to the public, this will never be as good as having the same explanation from an individual who has personal hands on experience and then shares this experience with the world."

By providing unbiased and honest reviews of the company's Essential Oil gift set, others will have the opportunity to see how well they work, can then buy the oils for themselves and also benefit from their amazing properties. Those interested in reserving SPLENDEUR's Aromatherapy Essential Oils gift set at this promotional price of \$1, are encouraged to visit their website directly. Limit 1 per person please.
