July 26, 2017 - PRESSADVANTAGE -

Los Angeles - Wealth Path IQ Inc. and Red Rock Secured, LLC today announced that due to the positive response to their recently announced partnership, both will offer a free Gold Investment Guide, which can be downloaded [here](#), to help investors understand the reasons to invest in Gold and focus IRA and 401k investment in precious metals.

Capitalizing on over 100 years of combined experience in the financial services sector, the Gold Investment Guide focuses on providing investors straight-forward information for how owning Gold can protect and safely grow wealth and savings. The wealth destroying effects of inflation, the scarcity of Gold, global demand, the current cost of producing Gold, and Gold as an effective direct investment and retirement account strategy, are some of the topics discussed.

The combination of Red Rock Secured's vast expertise in gold IRA rollovers, along with Wealth Path IQ's more than 30 years' experience in the financial sector, makes the partnership a winning combination. Through this partnership, the companies' mission is to enhance and protect their clients' investment portfolio while limiting investor risk of over-investing in the stock market. "Protecting assets safely while growing portfolios is what most investors are after," said Richard Kaye, CEO of Wealth Path IQ Inc. "Together, Red Rock Secured, LLC and Wealth Path IQ Inc. will provide customers with real-time information they can easily access," added Rod Herring, CEO of Red Rock Secured, LLC.
