Albany, N.Y. ? Awards By Walsh & Creative Marketing is looking to spruce up baseball season with a little flavor. By creating jerseys for the Twin Town Little League All Star Team, the expert company of embroidery in Albany, NY, has allowed for a team of elite (and little) athletes to play in style.

Awards By Walsh owner, Steven Pesta said, ?These jerseys are truly something special and we can?t wait to see the kids compete in them this season.?

Baseball season, as competitive as it is, is also meant to be a time of fun and fashion. The best baseball players from all around the world are typically geared up in awesome sports apparel. The Twin Town Little League All Star Team is no exception, especially now due to its new and unique jerseys created by Awards By Walsh.

The Twin Town Little League, now entering its 66th season, has always been destined for success. The team?s season is an experience that allows young children to grow up in an environment where team play and hard work are vital. These essentials allow for the kids who play to learn the ins and outs of what it takes

to be successful, something that the supplier of medals in Albany, NY, respects deeply.

"We're always excited when we get a project like this dropped on our desk," Pesta said. "It's a tremendous opportunity that has not only test our creative skills but also provided an awesome team of baseball players with a means to look great while playing great."
