

Elgin Dentist Launches New Website

August 07, 2017

August 07, 2017 - PRESSADVANTAGE -

1st Family Dental of Elgin in Elgin, Illinois, recently announced the launch of their official company website. The Elgin dentist office is located at 504-506 Waverly Dr. and prides itself on being a full-service family dental clinic that also provides specialty services like dental implants and oral surgery,

The Elgin dental team is excited to launch their new website that will make it easier for patients to navigate and find the information they are looking for, and make it easier for them to book an appointment online.

To celebrate the opening of their new website, a spokesperson from the company, Vicky Khawaja, says: "We are offering a new patient special on the website that includes an oral exam, full-mouth x-rays, and a regular cleaning."

If you have questions about 1st Family Dental's emergency dental services or what insurances they accept, you can find all of that information and more on the new website. This is designed to give patients the information they need to make the right decisions about their dental care and to help alleviate any worries or concerns that they may have prior to visiting the office.

Those interested in learning more about 1st Family Dental of Elgin or in scheduling an appointment can contact the dental office directly or visit them at their new website: <https://elgin.1stfamilydental.com/>.
