August 28, 2017 - PRESSADVANTAGE -

Auto Don Trading Co. Ltd., a used car dealer in Kingston, Jamaica, is proud to announce that they have awarded scholarships to St. Jude's Primary School students who were top GSAT students in their class. St. Jude's Primary School is a school within the community where Auto Don's business is located. Mr. Martin sees this as a great opportunity for giving back to the community.

Tanisha Tyndale from Auto Don Trading says: "Donahue Martin is a member of the Board of Directors at St. Jude's Primary School. He aims to give back to the community, which is an integral part of our company's mission statement."

Scholarships have been awarded to Nicolei Campbell and Latania Jackson, who will both be attending Campion College, a co-educational high school, in September 2017. The two young people are incredibly grateful to have been chosen for these scholarships. Auto Don Trading is aimed at supporting the less fortunate primary and secondary students, and St. Jude's Primary School is an inner city school attended by

many from deprived communities.

Each year, the top GSAT boy and girl are chosen to receive a scholarship from Auto Don Trading. The company sees this as an integral part of their overall vision and mission.

Tanisha Tyndale adds: "We aim to serve our customers with honesty and integrity; always giving our best in order to enhance the quality of life of our customers, staff, and the wider community. We are committed to maintaining high quality standards both through our products and the service that we provide."

The company is hugely popular across Kingston for their excellent service. They are, in fact, known as the Caribbean's premier auto hub. Offering both auto parts and full vehicles, they are a one stop shop for all things vehicle related. But most of all, they are a community that aims to make Jamaica a better place for everybody.
