August 11, 2017

August 11, 2017 - PRESSADVANTAGE -

Fresh Coat Painters Eden Prairie in Minnesota has announced that they have published an exclusive Customer Bill of Rights. This was created to ensure that all clients of the Eden Prairie painting company are aware of their rights and that they are guaranteed to receive a superior quality service. Few other businesses have taken this step, setting Fresh Coat Painters in Eden Prairie apart as one of the best in the area.

Jerry Fancher owner of Fresh Coat Painters Eden Prairie says: "We believe in what we do and we know that we are the best around. We are so confident of this that we have listed the Customer Bill of Rights. It shows that we guarantee the services we provide, giving our clients the peace of mind of knowing that their property will be looked after the right way, and that the work will be done to their standards and probably even more."

The Customer Bill of Rights contains nine individual points. These include the fact that all customers will receive an honest and ethical service, that customers will be treated as if they are friends or family, that a fixed quote will be provided within 72 hours, that work will commence (where possible) within three weeks of a client accepting the quote, that professionals will be on site every day until completion, that the schedule will be fitted around that of the customer, that all painters are drug tested and background checked, and that

all painters have a minimum of four years of experience.

The company has been named "best of" by Thumbtack for three years running now, and it is clear that this is due to the attention and dedication they give to their customers. Furthermore, the appreciation of the service that has been provided is shown in the many 5 star reviews that they have received. One customer says on Google, for instance: "Outstanding customer service and paint job. Extremely neat and clean. No spills at all. Cleaned and took garbage with them. Thanks Jerry. Thanks Fred. Thanks to all. Very very happy customer."

People are encouraged to contact Fresh Coat Painters Eden Prairie as soon as possible to request a free, no obligation quotation.
