

Book On Things To Do In Montego Bay Mentions Your Jamaican Tour Guide

September 25, 2017

September 25, 2017 - PRESSADVANTAGE -

Your Jamaican Tour Guide is a popular tour operator in Montego Bay, Jamaica, which has the distinction of offering tours that are off the beaten track and that enable people to experience real Jamaican culture and life. They have now announced that they have recently been featured in "The Rough Guide to Jamaica," a best selling book by Robert Coates and Laura Henzell. The book discusses various things to do in Montego Bay.

Alrick Allen, owner of Your Jamaican Tour Guide, says: "I wholeheartedly want to thank Robert Coates and Laura Henzell for mentioning us in their book. They have been able to truly capture the essence of Jamaica in their guide, showing maps and beautiful images of the various things that are there to see. Many of the locations showcased in the book are where I have organized tours, so I do encourage people to read the book and use it to think about where they would like to go."

Your Jamaican Tour Guide is quickly becoming one of the most popular tour operators on the island. This is not just because they visit the main tourist attractions, but they also go beyond that as well. Often, for instance, Allen and his other guides will take people into various villages where they have relatives

themselves, spending time with locals, eating and drinking with them. While the company has a number of highly popular organized tours available, they also develop customized tours. Following their mention in The Rough Guide to Jamaica, they have seen a significant increase in the number of requests for customized tours, which visit some of the locations mentioned in the book.

There are many tour guides in Jamaica, but none are quite like Your Jamaican Tour Guide. This is also reflected in the many positive reviews that the company has received, including that of Toni on Facebook, who says: "We had a great time with Alrick. He is a great guide with a great sense of humor. We booked a private tour for our family of 5, he took us around Montego Bay so we could experience the non-touristy side. It was a great experience and I highly recommend."
