

New Nursing Privacy Cover Scarf launched by Nourishify

August 14, 2017

August 14, 2017 - PRESSADVANTAGE -

Nourishify, an Australian based company, announces the launch of its new range of Nursing Privacy Cover Scarves on Amazon USA.

These poncho style scarves are specifically designed for new moms who can easily nurse their babies in complete privacy while out & about.

“We are committed to create quality products for our customers so that they can enjoy their lives to the fullest. We want all new moms to enjoy the quality nursing time with their babies even if they are in public spaces. We no longer want them to hunt for a corner spot to feed their babies anymore,” says Anita B, Founder of Nourishify.

These nursing privacy cover scarves are stylish, wrinkle free, soft and will not chafe baby’s delicate skin. These scarves are generously designed and will keep moms covered at all times. With 95% cotton, 5% spandex & without any harsh chemicals, these scarves are expected to become one of the best multi-use cover scarves available on the market. These versatile scarves can be used as baby’s car seat

cover, stroller cover, high chair cover, grocery cart cover, snuggle blanket and many more.

Research shows that many new moms encounter difficulties in nursing their babies when they are out and about. Nourishify aims to help new moms enjoy life with her new baby, ready with anything ? rain, wind, dust, mosquitoes, bugs, pollen or prying eyes. The scarves have been specially designed so that they are slightly larger and are a comfortable fit, whilst being durable and long lasting.

?This Breastfeeding scarf is so soft and nice. I LOVE it! This was a great purchase from a great company!?
says Amy, a shopper on Amazon.

To ensure people are able to try the product and find out its benefits for themselves, Nourishify are releasing at a massive 58% discount in our first month, says Anita B, the founder of the company.
