LOS ANGELES, California ?? Major lifestyle publication Prevention.com featured the Coop Home Goods Eden Pillow as a top pillow in their online article ?8 Best Pillows for Stomach Sleepers.?

Writer Maria Masters compiled a list of the eight best pillows for stomach sleepers, with two pillows selected for each of the four categories. Masters featured the Coop Home Goods Eden Pillow as the best in the ?customizable? category. She wrote that the Eden Pillow?s ?unique design prevents the middle from flattening out, which means lasting support for your neck.?

Designed with a gel-infused, crosscut blend of memory foam and microfiber, the Eden Pillow allows for proper neck support, body alignment, and customization to suit any sleeping style. Its gusseted edge provides maximum edge-to-edge support to promote better sleep.

Founded by sibling duo Kevin and Jin Chon in Los Angeles, Coop Home Goods focuses on providing consumers with innovative pillows and home products to elevate everyday living.
