The popular 48 set coloring pencils by Star Infiniti is now back in stock. The 48 pack colored pencils which is sold at the number one marketplace, Amazon.com, is now even better. It is not only a great set for kids but for adults too. The coloring pencils set is even better as it now comes with a sketch pad, two e-coloring books and two paintbrushes.

"The new 48 pack colored pencils is even better since it is great for both kids and adults. We aim to expand our market so that we can cater to both adults and kids, thus adding more to what we originally have. Since our launch this coloring pencil set became popular with consumers who would also patronize the product," said Cyndi, Star Infiniti's representative.

The 48 pack colored pencils also comes with a reusable carry case for easy storage and travel. In fact, this set is not only great for home use and office use but also can be used everywhere because of the storage capability. It also makes a great gift for any occasion.

"The assortment of colors in this kit is so eye-catching. It is like being a kid in a candy shop... there are so many beautiful colors that you don't know which one to try first. The addition of the sketch pad is a big bonus," says, Animal Lover, a verified purchase.

This coloring pencil set is available for purchase on the number one marketplace Amazon.com. It is made up of 48 vibrant colored pencils with a reusable carry case for easy storage with additional bonus of a sketch pad, 2 e-coloring books and 2 paintbrushes.
