Foundation Repair Contractor Announces Expansion Into Grand Prairie

August 24, 2017

August 24, 2017 - PRESSADVANTAGE -

Texas Foundation Pros, a contractor that provides foundation repair services, has announced their expansion into Grand Prairie, Texas. Also, the company has recently launched their new website on August 21, 2017. Robert Hinson, Marketing Manager with Texas Foundation Pros of Grand Prairie states, "We are proud Texans and we know that every foundation that we repair helps other Texans to protect their valuable Grand Prairie home and business investments."

Hinson says that the company strives to provide foundation repair services to all Grand Prairie area residents and businesses. Texas Foundation Pros has been busily updating their web presence over the past few months to better serve their customers. They had announced the newly updated website on August 14, which was then launched on August 21.

In the announcement titled "Plano TX Slab Foundation Repair Contractor Announces Updated Website", the company had revealed that the newly updated site offers full details about the company and lists a number of customer reviews from the area left by satisfied residential and business customers. The newly updated website is designed to provide easy navigation for customers, offering a full overview of the company as well

as helpful tips and articles for those who have foundation issues.

The company is a family owned and operated foundation repair business that has been in operation for more than 30 years. Hinson says that their staff and management work together to ensure that each customer is satisfied and that they offer lifetime warranties on all completed jobs to further ensure this satisfaction. Onsite supervision is provided for every job and the company offers free estimates as well as various discounts and financing options.

The company's expansion into the Grand Prairie region means that they can now service more customers, either residential or commercial, to provide quality foundation repairs and restorations. The company expresses their gratitude to existing loyal customers and says that they hope to foster new relationships with customers in the expanded service area. Those interested can get an overview of their complete service area by visiting Texas Foundation Pros on their Google maps page at <https://goo.gl/maps/8Cxi5RdKWbH2>.
