

How Markus Heitkoetter Finds The Best Stocks To Trade Live

September 03, 2017

September 03, 2017 - PRESSADVANTAGE -

Markus Heitkoetter, the CEO and founder of Rockwell Trading, recently went on record with how he finds the best stocks to trade in his new daily live training for traders called Coffee with Markus.

Markus has been helping hundreds of thousands of traders in improving their trading strategies over the years. He is often asked how to find the best stocks to make successful trades. Thus, in the latest show, Markus decided to present his strategies how he finds the best opportunities in the market to make profits.

Markus Rockwell Trading has recently developed PowerX Analyzer software to permanently solve trader's issue of finding best stock opportunities. In Coffee with Markus, he regularly utilizes PowerX Analyzer software to place his entries and find the best trading opportunities in just a few clicks.

In this show, Markus again decided to use PowerX Analyzer to find best stocks (Options) based on Rockwell Trading strategy, which is a swing trading strategy. This is also a trend following approach.

Markus closely analyzed all four stocks and looked at their winning percentages and risk reward ratios to find

the stocks with the best chance of success. With the help of PowerX Analyzer, Markus can find best trading opportunities in just five minutes, but anyone can do this after a small practice. You can get these insights on the market for yourself live at rockwelltrading.com/prcoffee
