

Nurse Staffing Agency in Portland Reflects on This Month's Safety Webinar

August 31, 2017

August 31, 2017 - PRESSADVANTAGE -

Portland, Ore. ? Express Healthcare Professionals, one of the top nursing agencies in Portland, OR, had the opportunity to participate in a safety webinar. The webinar, titled ?A Culture of Safety: Employee Buy-In Begins at the Top?, was conducted by Express? Senior Loss Control Specialist Bob Alcorn.

Organizational safety training is a crucial issue that must be addressed within every department from top to bottom. During the webinar, Alcorn explained the advantages of introducing a company culture that promotes safety within the office. Employers should make it their mission to effectively communicate with employees about updated procedures. The safety webinar received positive feedback.

Throughout the webinar, attendees were treated with important details about the significance of continuous communication, why safety communication should start with management, and the value in establishing clear and concise expectations when it comes to safety protocol; all important items that the nurse agency that provides nursing jobs in Portland, OR, refuses to overlook.

Express? Senior Loss Control Specialist Bob Alcorn is a Certified Safety Professional and Construction

Health and Safety Technician, who has acquired years of experience and understands the significance of adhering to safety guidelines. Just in the last two years alone, Alcorn has contributed to saving Express over four million dollars in loss prevention claims.

Following the webinar, all attendees were treated with a free safety poster for their participation. If you are a local job seeker or employer seeking temp services, be on the lookout for more of these monthly safety posters.
